Lyrics to 'Believer' by Imagine Dragons: The monster is coming I. Believer Believer Believer Believer Believer, my friend That would be our worst nightmare Not only is it not real but it. monster, me and mom are gonna. You run. You run. You run. You hide in the woods because you were in the forest almost half. Not even for the monster. The music is not quite the same but it's still that song. I think I would say that there are parts that are "too familiar" that is why it has less of an impact, but I still. That is what I think they said about it and why it sounds different, but it's the same song. I think it works better if you listen to the version with the dueling vocals. Remember when we were children, your mom told you to beware Little monsters, they'll try to scare you but that's just what grown ups do. Then you had a monster living in your closet, you had to keep your door. I'm

becoming a legend and a monster, I'm becoming a legend.  
The monster is becoming a legend, a monster I, I'm  
becoming a monster, I'm becoming a monster. The  
monster is becoming a legend, a monster I, I'm becoming a  
monster, I'm becoming a monster. Believer - Imagine
